

## For the Health and Wellbeing of All People

God of healing and hope, at this time of heightened global awareness of our mutual interdependence, enable all of humankind to appreciate the strength that comes from being united in concern and love rather than divided with hate and prejudice. As we look to the future, may all people awaken to their existing endowment to build and sustain unity, tolerance, harmony, and peace.

May the One who blessed our ancestors Abraham, Isaac, and Jacob, Sarah, Rebecca, Rachel, and Leah, bless and heal those who are ill. Restore their health, revive their strength, and may all the people of the world experience a complete renewal of body, mind, and spirit.
